

ELECTRICAL BOILING PAN: 150L

KUS-G9KT200E

PRODUCT FEATURES

- Stainless steel body.
- Quick easy cleaning.
- Ergonomic design.
- Adjustable legs.
- Durable.
- Water inlet and drain taps located on front panel
- Direct or indirect heating.
- Durable and minimum maintenance provided by using oil in jacket delete.
- High efficiency and minimum maintenance indirect heating.
- Safety thermostat.
- Safety discharge valve.
- Operating temperature range (0-180 ° C)
