

PACOJET 4 SYSTEM

PAC13762500000

PRODUCT FEATURES

The new Pacojet 4 impresses with the option of pacotizing certain recipes in just 90 seconds®, its large touch-screen enables intuitive user guidance and animated assistance, and the device’s intelligent detection functions protect against misuse. While it works particularly quietly, the new Pacojet enables outstanding results with maximum productivity and easy operation - and thus fulfills long-awaited customer needs.

- 1 Pacojet 4 system
- 1 pacotizing® wing
- 1 plastic pacotizing® cup with lid
- 1 protective cup Pacojet 4
- 1 complete splash guard
