

## UNDERCOUNTER FRIDGE: 2 SOLID DOOR

INFIM702P

### PRODUCT FEATURES

#### Refrigeration:

Energy class B.  
R-290 refrigerant.  
Temperature controller with digital display.  
Automatic evaporation of defrost water.  
Automatic defrost.  
Ventilated cooling system.  
Plastic tray with sealed cooling coil.  
Monoblock refrigeration system.  
Forced draft evaporator with anticorrosion lining

#### Exterior:

AISI 430 stainless steel body.  
AISI 304 stainless steel doors and control panel.  
100 mm high sanitary backsplash.

#### Interior:

AISI 430 stainless steel.

#### Doors:

Integrated handle doors and sealed in AISI 304 stainless steel storm doors.  
Hinges with automatic return and opening attachment system.

#### Shelves:

325x530mm interior shelves per door
